

2018-2019 Sponsorship Program

Members of the Franklin High School Marching Band are seeking sponsors to help offset the costs of their 2018-2019 competitive marching and concert season. The Marching Yellowjackets will be traveling via bus to competitions throughout the Bay Area and Central Valley, where they will perform in front of and compete with numerous other high school programs across Northern California. The entire amount of your generous sponsorship goes directly towards the cost of each season, which comes out to approximately \$300 a student for a complete season/year, include the cost of transportation, competition fees, props and equipment for field show, instrument repair and maintenance, uniform cleaning, and meals at competitions, and necessary supplies throughout the year.

As of the 2018-2019 school year, the Marching Yellowjackets are in its second year of marching and performance competition, after a more than ten year hiatus, and is striving to build a reputation of consistency, quality, and excellence that we showed during our first season. Your support of our member helps our students participate in a wholesome, worthwhile activity for the youth of Franklin High School and the surrounding Stockton area. Your generosity will also enable the Marching Yellowjackets to continue teaching values of leadership, discipline, and good citizenship which are carried throughout the music program, their careers, and back into our communities with a true sense of purpose. The focus is on our performer's musical and technical development allowing each member to do their best with an established sense of confidence and pride.

The Franklin High School Marching Yellowjackets would like to thank you for your sponsorship and opportunity for our performers.

Please visit our website at www.franklinyellowjacketsband.com

The Marching Yellowjackets are under the parental supervision and support of the Franklin High School Band Boosters, a 501c3 organization. Tax-ID# available upon receipt of sponsorship.
